WATCH YOUR POSTURE

Our posture is often a tip-off to our hospitality and reverence for the Lord. Note the actions of Abraham as he greeted the Lord in the presence of three men who appeared near his tent. He ran from the entrance of the tent to greet them. He bowed to the ground as he met them. He and Sarah, his wife, hastened to prepare a meal and bring food and water to their guests. In the Gospel story, Jesus' friend Mary sat at his feet in order to listen to him speak. How do we welcome and reverence the Lord? What do our actions show? Do we remember the Lord's presence in the Blessed Sacrament? How do we welcome the Lord in the scripture readings? How do we acknowledge his presence in our brothers and sisters, both at Mass and afterwards? Whether we kneel, stand, or sit in the Lord's presence, may our hearts and minds always be attuned to him.

Today's readings speak of hospitality. Abraham, who cheerfully did for his guests all that desert hospitality required, was rewarded with his heart's desire – a son. Martha also busied herself with all the details of hospitality, but grudgingly and with complaint. Am I a cheerful or grudging giver?

St. Patrick's first annual VBS was a huge success this past week and all participants had a great time! A HUGE "Thank You!" to Melanie Rios, Lodie Contreras, Victoria Contreras, Janice Swope, Kathleen Meyer and Erica Valenzuela and all our youth and parent volunteers who helped out each day. As a team we did a great job and the success of this program is because of you!!

Our Lord told us, "Let the children come to me, and do not prevent them; for the kingdom of heaven belongs to such as these." (Mt. 19:14) Children have the same right as adults to be in church. We should always encourage them to be there. As they become used to being in church, their behavior will improve. The purpose of the "Quiet Room" at St Patrick is for a parent to utilize the room during a time when the child is upset/crying. Once the child has become quiet and content, the parent is to return to worshipping with the rest of the assembly in the main worship space. It is not a place to remain. By following this practice, it will allow more parents access to the room when it is needed.

Wisdom has been defined as knowing the difference between pulling your weight and throwing it around.
